Kreative Fähigkeit

Meine Leidenschaft ist das Kochen und ich spiele Bassgitarre, ich bin sehr an Kunst, Film, Photographie, Literatur, Musik, Oper, Theater, Graphik, Sport, Mode, Designtrends, Architektur, Elektronik und Robotern interessiert. Und am Design, natürlich.

LinkedIn Empfehlung

He replied promptly and directed me to supply the required info about our business, in order to get a clue of our work and needs. After a very short time I got several examples, all of them were creative and showed his deep understanding of our concept, giving us a final result that absolutely convinced us he is the right guy for the mission. The whole communication was totally clear and fast and with lots of positive vibes and support. It was a pleasure to cooperate with Giovanni, and I would recommend anyone looking for a creative

Giovanni saved my life when our resident designer from Start-Up Boot Camp got sick right before deadline of an important project. Giovanni's design was amazing. On top he was efficient and stayed cool under stress. It was great to have him and hope we will be working on future projects again.
